Legal assistance for Caregivers

As parents age, it's not uncommon for adult children to step in to help them handle financial and legal matters. Making decisions about long-term care or estate planning can be very complicated, and it can be hard to know where to turn.

In times like these, it is incredibly important to seek professional advice. With MetLife Legal Plans, you receive unlimited access to a network of experienced attorneys who are knowledgeable in matters your parents face as they age.

With a simple phone call, you can receive consultation and document review for a wide range of issues, including Medicare and Medicaid questions, nursing home agreements, wills, powers of attorney and more.¹
