

Say “goodbye” to insulin.

Virta helps you naturally reverse type 2 diabetes and prediabetes,
all at no cost to you.

*Mercury covers the cost of Virta, valued at over \$3,000, for all benefits-enrolled team members and spouses with type 2 diabetes and prediabetes.**

**While Mercury is covering the majority of the cost of Virta, there is a \$150 copay for the patient for the first year and a \$100 copay for the patient for ongoing years.*
